Description	Radial Flat Expansion Vessels for Closed Heating systems and Boilers																														
Size Range	8L – 10L – 12L – 14L – 18L																														
Max Operating Pressure:	3 Bar																														
Min/Max Operating Temp:	-10°C - +90°C																														
Air - Precharge	1 Bar																														
Warranty:	All vessel comes with a 24-month warranty period from the date of purchase. See T&C																														
Material Specification	Body Finish: Hot-Dip Galvanized Steel Membrane: EPDM Colour: Natural Hot Galvanized finish.																														
Manufactured to:	PED 2014/68/EU – Cat I Module H EN13831, EN12100 ISO9001:2015 ISO14001:2015
